PRESS RELEASE

Green workshop on eco-friendly campus conducted by SSB

New Delhi (02 June, 2018):- SSB conducted a workshop on eco-friendly campus at its 25th Battalion campus, Ghitorni, New Delhi on 01.06.2018. the occasion was graced by Sh. C. Srinivasan, Director, Indian Green Services. This initiative was in Tendom with Swachh Bharat Mission of Govt. of India. In fact “Waste products and unwanted materials can be utilized in many ways” said C.Srinivasan, Director “Indian Green Services” at the workshop.

People should take the initiative and be responsible for keeping their surroundings clean. One should not sit idle by giving responsibility to the Government only. Garbage is not a waste but a resource. People entertain a misconception that garbage is a waste which cannot be used any further and thus should be dumped. The workshop was attended by senior officers of Force headquarters and field units of SSB.

The presentation of C. Srinivasan was followed by practical training in the campus of 25th Battalion Ghitorni.
